BRUNCH

100% yummy, 100% organic!

BRUNCH is a so-called "portmanteau", an artificial word that was created from two overlapping ones. It means a meal consisting of components of "breakfast" and "lunch". The Anglicism originated in the late nineteenth century. Brunch starts in the morning and is often extended until the early afternoon. Also at Lulu's. Here you can enjoy our hot and cold buffet every Sunday from 11:30 to 14:30.
